WITH each other – FOR each other

Project Housing partnerships – affordable living, made for student life

- **A room in a private home**
We connect you with people in Magdeburg who have a spare room or other living space available.
- **Help with everyday tasks**
In return, you provide a few hours of support per week if needed – for example with shopping, gardening or household tasks.
- **Pay less rent**
In exchange for your support, you pay reduced rent. Depending on the agreement, you may even live rent-free and only pay utilities.
- **We support you throughout the process**
We guide you through the entire matching process, help you get to know each other and continue to support you afterwards.

Projektkoordinatorin
Marie Pöhlmann
